

Wuxi LOTTON Bearing Manufacturing Co., Ltd. is engaged in Bearing Import and Export Business. We attach the utmost importance to the security of customer and supplier information. This page sets forth our policies with respect to the protection of personal information.

1. Compliance with Laws and Other Regulations

We comply with all national laws and policies and other regulations relating to the protection of personal information.

2. Establishment and Continuous Enhancement of Personal Information

Handling Guidelines

The need to protect personal information is thoroughly promulgated throughout the company, from directors down to the most junior employees.

We maintain and follow guidelines for the proper protection and use of personal information. We also strive to improve these guidelines on a continuing basis.

3. Acquisition, Use and Release of Personal Information

We clearly define the uses to which personal information can be put. Within these constraints, we acquire, use and release personal information only with the consent of the individual concerned.

4. Secure Management

We strive to maintain secure management of personal information, and have established the necessary measures to prevent unauthorized data access, loss, destruction, alteration or leaking.

5. Disclosure and Correction

Requests for disclosure, editing or deletion of personal information shall be responded to on a case by case basis pending confirmation of the identity of the requestor.

*Please direct any queries concerning personal data to LOTTON General Affairs Division.
